Our Vision

We believe in a **more inclusive digital future**. HER TECH is committed to **bridging the gender gap in the technology sector** by designing inclusive learning pathways, **promoting equal opportunities** and showcasing female role models in ICT.

HER TECH

HER TECH

Her Tech, Her Terms.
Engagement as the key

Co-funded by
the European Union

Who we are?

The consortium consists of **7 partners from 7 different countries** (Croatia, Finland, Sweden, Belgium, Germany, Italy and Ireland), each bringing their unique expertise and significant added value to the project.

Our Goals

Increase the **participation of women in** ICT studies and careers.

Challenge gender stereotypes in technology and education.

Advocate for **inclusive policies in the ICT** sector.

Create tailored education programmes to engage and **support women in tech.**

Encourage a diverse and **innovative digital workforce.**

About HER TECH

HER TECH is an project that aims to **promote gender equality in ICT education and careers.** It focuses on creating a more **inclusive digital future** by encouraging and **supporting women to study ICT,** challenging stereotypes and developing actionable policy recommendations that **remove systemic barriers.**
